# Autumn 2018 - Homes

## English

### Homes

We will develop our reading and writing skills using the books 'Home' by Carson Ellis and 'If I Built a House' by Chris Van Dusen.

## Computing

### E-Safety

We will think of ways to stay safe when using a computer.

### Programing

We will use simple algorithms to control a variety of objects and characters.

## Science

### Materials

We will explore the different materials used to build our homes and investigate why their properties make them suitable building materials.

## History and Geography

### Homes Around the World

We will investigate different types of homes around the world and explore similarities and differences to our own.

### The Great Fire of London

We will learn about London today before investigating The Great Fire of London and exploring how it began, how it spread and how it changed London forever.

## Art and Design

### Model homes

We will design, build and evaluate model homes.

### The Great Fire of London

We will use different materials and mediums to create atmospheric art.

### The Weather

We will learn about a variety of weather, what makes it happen and how it affects us.

## German

We will be learning greetings and numbers in German.

## Music

We will explore and create sounds associated with fire and develop an understanding of beat and rhythm. We will develop our singing voices learning songs that link with our learning in History and Geography.

## PE

### Key Skills

We will practice movement skills and techniques through a range of activities and games involving 'home' areas.

### Gymnastics

We will choreograph a gymnastic routine to a piece of music involving movement and control skills.

## PHSE

Be Respectful, Be Ready and Be Safe

We will explore what our school rules mean and how they can help us become positive members of the community both in and out of school.

## RE

### Special Places

We will share our own special places and be learning about the special places of different religions.
