

Willow Class News October 2020

These are just some of the things we have been learning in Willow Class this half term.

GRENDEL

We started our Literacy learning with a book called Grendel and a cave appeared in our outdoor classroom.

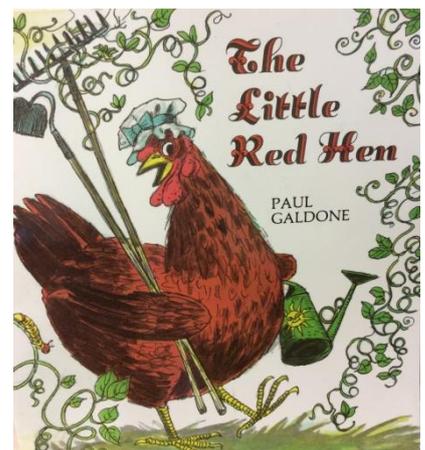

Grendel was a little monster. He loved his mum, he loved his dog and he loved chocolate! When granted 3 wishes he wished for more chocolate and then wished that everything he touched would turn to chocolate.

We thought about a world made of chocolate and what it would look like and smell like. We thought about what we love (lots of us love chocolate cake!) and what we would wish for if we had 3 wishes.

When Grendel realised the consequences of his wishes he still had one wish left to put things right... well, nearly right!

The Little Red Hen

We have read and acted out the story of *The Little Red Hen* whose friends did not want to help her plant the corn, tend the corn, take the corn to the mill or make a cake but they did want to help her eat the cake!

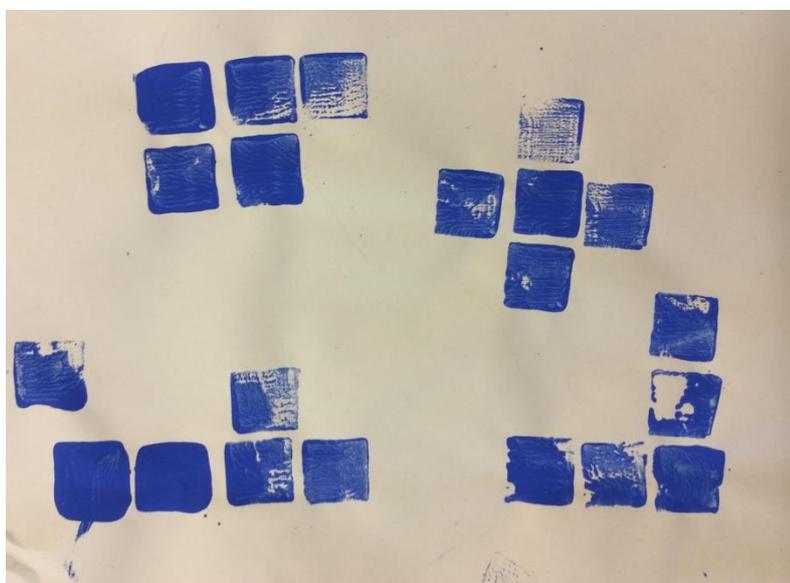

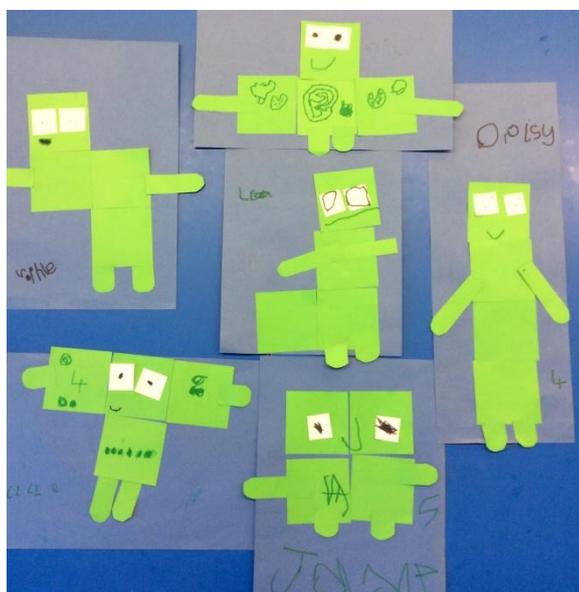

Numberblocks

We have been watching Numberblocks as part of our learning about how interesting numbers are.

We explored different ways of arranging 4 squares to make a number 4 Numberblock.

We then tried printing with 5 blocks and found even more different ways of arranging them!

These are just some of the layouts we discovered.

Repeating Patterns

We have used numbers, natural finds, actions and sounds to make repeating patterns.

Understanding the World

We have been thinking about ourselves, our families and our homes.

We have also been gathering autumn finds for our nature table.

We took part in the school *Run for Fun*. Unfortunately, we were so fast nobody managed to take any photos of us but Mr Seymour was impressed with how far we ran and that we all ran all the way and all finished the course.
