Babushka— a wonderful success!

All children in the school were stars this week as they performed in Babushka, a traditional Russian Christmas story.

Babushka was very lonely and just kept cleaning and washing until one day she was visited by three kings who were searching for another baby king. Babushka went on her own journey to the stable to see Jesus and learnt that being kind to others would fill her with joy and love and give her life meaning .

Well done to all the children for their brilliant singing, reading and acting.

Many thanks to all our parents and friends of the school who supported the fundraising this year to buy our Christmas present- a new stage, it is fantastic!
